

>Little boy flying a kite in Brazil 1981 finds the dead bodies of two men
>Police arrives, two men are wearing formal suits, raincoats and like the name suggests, lead masks
>Identified as two electricians
>Neither body showsn any sign of violence, and the only thing they find is a bottle of water and a nootbook
>Inside, the notes were
>16:30 be at the agreed place.
>18:30 swallow capsules, after effect protect metals wait for the mask sign
>Reconstruction is the two men buying raincoats in town, then buy a bottle of water in a bar, one of them seemed nervous and then they went to the hill where they died
>Autopsy showed nothing because they didn't have time for it and by the time they went ahead the bodies had decomposed
